# ABCA NEWS

# Harry Cohney Charitable Fund

**ABCA is thrilled to announce that thanks to an incredibly generous donation from the Harry Cohney Charitable Foundation, ABCA Kenya Operations are fully funded for 2023.**

**The trustees of the trust state:**

*Harry Cohnney was born in Fremantle WA in 1932, the youngest of five children of Dr Solomon and Mrs Bluma Cohnney. Having worked in a variety of jobs (travelling salesmen, firefighter, tram driver and fruiterer) he became a very successful publican and property investor. Harry was a devoted Jew who was always willing to lend a hand to those in need. His establishment of the Harry Cohnney Charitable Foundation and his contribution of significant financial resources to its purposes represents his wish to provide for others for many years to come. It is our hope that supporting the education of children in Kenya will give opportunities to those children and their families that they might not otherwise have had and lead to lifelong benefits for them and their descendants.*

# Packing for Kenya

On a lovely sunny Saturday morning a stellar number of loyal and new ABCA volunteers packed approximately 4300 books which are now being shipped to Kenya. There was a special Kenya buzz in the ABCA shed as we have waited for 5 years to be able to ship books again to Kenya.

A special Asanta Sana (thank you very much) to our ABCA Kenya Patron the Harry Cohny Charitable Foundation for making this pack possible.

A photograph of three young children sitting at a wooden table outdoors, looking at an open book. The child on the right is holding the book. They are wearing hooded sweatshirts. The background shows a scenic view of mountains and trees under a clear sky. The text 'THANK YOU' is overlaid in large white letters across the center of the image.

**THANK YOU**

# Emanuel School

**Thank you to the students and staff of Emanuel School in Sydney for their on-going generosity and support of ABCA.**

**Last year the school organised another ABCA book collection and raised money towards the shipment of those books to Africa.**

**Emanuel School's continued commitment to ABCA over a number of years is so appreciated.**
