

ABCA MARCH 2022 NEWSLETTER

Welcome to our March newsletter.

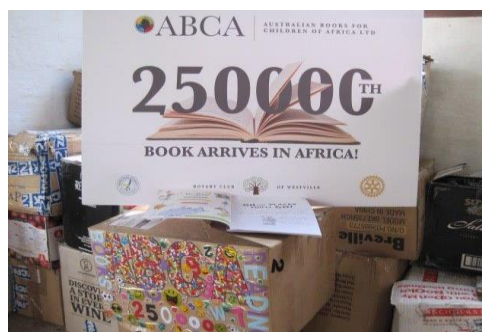

Behind the scenes much has been happening at ABCA Melbourne headquarters.

WITH APPRECIATION

We are very lucky and grateful to have loyal can-do supporters and volunteers. This month's special mention goes to Hersh Burston, Lauri Sacker and Shannon Grundon.

Hersh Burston: Thank you once again to Hersh Burston – video creator extra-ordinaire for putting together a video of the delivery of ABCA's 250,000 book Africa. Hersh had to use snippets from short video clips taken from mobile phones.

The book 'Oh the Places You Will Go' by Dr Seuss was delivered to Makhassa School in KwaZulu Natal in 2018. Makhassa was the first school in 2003 to receive an ABCA shipment and so it was fitting that this fantastic school was the recipient of ABCA's 250 000th book to Africa. This was an enormous milestone and we look forward to many more ([watch here](#)).

Lauri Sacker and Mount Scopus College: Thank you to Lauri Sacker who once again organised for the donation of a mountain of pre-loved books from Mount Scopus College - Gandel-Besen House. Mount Scopus College have been donating books of high quality for many years and this continued support is much appreciated.

Shannon Grundon and St Michaels Grammar School: Thank you to Shannon Grundon for organising a plentiful amount of pre-loved books of high quality from St Michaels Grammar School. It is wonderful to welcome St Michaels to the ABCA family and we look forward to keeping in touch for many years to come.

Gauteng Shipment

Exciting news on the shipment front. Our first shipment of books to Africa for 2022 has been picked up and is wending its way to Gauteng, South Africa. We look forward to its arrival soon.
